## **Facebook Project: Character Interaction Plan**

Directions: In order to prepare for the Facebook Interaction Day, you must consider how your character will interact with the other characters. Choose 8 characters to plan interaction with. In the chart below, list the characters' names, how your character might interact with them, and what page numbers the characters interact. Remember to choose meaningful interactions!

My Character: \_\_\_\_\_

Character's Name	How might your character interact? Positively/negatively? Why?	Page Numbers to Reference
EXAMPLE: Strict Teacher	Does not like the teacher and always argues with her. Interactions are usually negative. Was eventually expelled because of teacher.	12, 54, 73-76, 128
